Module 3 Creative methods for planning out extended response answers.

Testimonials

Professor Tyrone Carlin Vice-Chancellor and President of Southern Cross University

- "I can attest, through personal experience that the approach embedded in Creative Economics and Creative Business Studies represents a powerful catalyst to learning."
- "I highly commend this work. It will be of enormous value as a learning tool for students and in the classroom."

Thomas Gerard Mae, Executive of the Teacher's Guild of NSW

- Ian is an outstanding educator with the capacity to provide opportunities for his students to be confident in their capacity to learn and to be positive about how they will contribute to the world beyond school. By virtue of his knowledge of curriculum, pedagogy, and assessment Ian has a reputation for academic excellence within schools and in the broader educational community.

Julia Anstey, Visiting Academic Fellow, Barker College.

- He has his unique way of teaching for deep learning and academic success and is a skilled motivator for teenagers. His textbooks are highly regarded and our students at Barker have benefitted from their wisdom. His enthusiasm for learning and unique ability to help students solve problems and put in place workable study routines is admirable. Ian has the gift of getting alongside even the most recalcitrant teenager to inspire curiosity, motivation, and an internal spark that flows over into other academic areas.

Overview of Ian Moore's experiences

Using his innovative techniques and motivational techniques, Ian has guided twenty-four Business Studies and Economics students to finish within the 'Top Ten' of the State candidature for the subject in the New South Wales Higher School Certificate.

Ian Moore has been honored with a prestigious Fellowship from the Australian College of Educators, further complemented by receiving dual honorary fellowships from the NSW Teachers Guild. These accolades celebrate his exceptional contributions to creative teaching within the realms of Economics and Business Studies.

Ian has written many Business Studies textbooks, under the banner of Creative Classroom.

Ian conducted workshops at scores of conferences and schools including -
